The Busy Learners

For Parents & Teachers

This pack introduces five beautiful names of Allah:
Ar-Rahman, Ar-Raheem, Al-Khaliq, As-Sami, and Al-Baseer.

How to use this pack:

1. Introduce one name at a time - say it together and talk about its meaning.

2. Let your child trace the name and color the matching picture.

3. Use the reflection box for your child to draw or write about a real moment they noticed that name of Allah in their own life.

4. Finish with the matching page as a fun review of all five names.

Tip: Little ones can dictate their reflection to you while you write it down - the goal is the conversation, not perfect handwriting.
